A Path to Wellness

Reach your goals with the Well onTarget[®] online portal or mobile app. Complete self-paced programs to help improve long-term health issues and your overall wellbeing. Plus, get rewards for healthy activities.¹

Fitness at Home and on the Road

Choose gyms from a large, national network, so you can exercise wherever life takes you. Plus, enjoy savings on acupuncture, massage and personal training.²

Quick Answers to Health Questions

Should you go to the emergency room? Urgent care? Wait to see your doctor? 24/7 Nurseline can help you decide — any day, any time.³

Behavioral Health Support

Your mental health is vital to your wellbeing. Your plan gives you access to treatment options to help with anxiety, depression, substance use and more. Click the **Doctors & Hospitals** tab in BAM to find a behavioral health provider.

Guidance for Your Growing Family

If you're ready to start a family or already expecting, check out apps from Ovia Health[®].⁴ They include expert advice to support you through all the stages of planning for and having a baby.

Help for Chronic Conditions

You and your covered family members may have access to support for certain health issues. If you are a good fit for one of the programs below, Blue Cross and Blue Shield of Illinois or one of the companies below will let you know how to sign up.

- **Lose weight:** Learn to approach food in a different way with Naturally Slim[®].⁵ An online tool lets you track progress, ask questions and connect with others.
- **Prevent diabetes:** The pre-diabetes program from Omada[®] can help you lower your chances of long-term health problems. Learn how to eat, exercise and deal with stress in a healthy way.⁶
- **Control diabetes:** Make managing your type 1 or type 2 diabetes a little easier with Livongo[®].⁷ Get a meter, test strips and lancets shipped to your door, all at no added cost.
- **Handle high blood pressure:** Programs from Omada and Livongo offer a health coach and a connected blood pressure monitor to track your numbers and help lessen your risk.
